

City of Wray Organized Recreational Sports Reopening Policy for COVID-19

On May 22, 2020, Yuma County Variance from Public Health Order 20-28 was approved by the Colorado Department of Public Health and Environment (CDPHD). This local follows the requirements of the Yuma County Plan for COVID-19 as approved by the CDPHD, Northeast Colorado Health Department, the Yuma County COVID Taskforce, and the City of Wray. The following information provides details of the regulations followed. We agree to follow the requirements within this document or the Colorado executive orders if more lenient than the requirements within this document.

For further inquiry please contact Wray City Hall at 970-592-2104.

The goal of this policy is to remain in compliance with the Centers for Disease Control (CDC) in achieving the following activities:

1. Prevent and reduce transmission among employees,
2. Maintain healthy business operations, and
3. Maintain a healthy work environment for employees and customers.

POLICY:

1. Employee and athlete participant conduct and monitoring:
 - a. Employees will wear cloth face coverings in the workplace if work requires employee to come within 6 feet of customers.
 - b. Encourage spacing of 6 feet or more when possible.
 - c. Conducting daily health checks: staff or coaches will monitor symptoms and temperature of participants at the beginning of activity. Monitoring includes symptoms and temperature. If thermometers are not available, ask staff and participant to take their temperature at home and self-report at the time of the activity.
 - d. Symptomatic individuals: if a participating member reports any symptoms or tests positive during daily health checks, the coach will immediately isolate the individual. In this case, the individual should not be allowed to return until the following:
 - i. If TESTED positive for COVID:
 1. They receive two negative test result at least 24 hours apart, or wait 10 days from start of symptoms, and
 2. Their fever has resolved, and
 3. Symptoms are improving
 - ii. If TESTED NEGATIVE, may return to activity when symptoms resolve
 - iii. If NOT tested for COVID:

1. The individual has no fever for at least 72 hours without use of medication, and
 2. Symptoms have improved, and
 3. At least 10 days have passed since symptoms first appeared.
- iv. A physician order is provided releasing staff to return to work.
- e. Training:
- i. Staff and coaches are trained for the following:
 1. Wash hands with soap frequently for at least 20 seconds.
 2. Use alcohol-based hand sanitizer
 3. Avoid touching eyes, nose, and mouth.
2. Environmental Precautions:
- a. Encourage participants and parents to self-monitor symptoms prior to attendance including checking temperatures
 - b. Discourage attendance if they are experiencing any symptoms of a fever over 100°F, shortness of breath, body aches, rash, headache or upset stomach.
 - c. Clean all high-touch surfaces frequently and at least daily such as door knobs, faucets, phones, etc.
 - d. Staff will clean high touch areas of equipment at least every two hours during hours of operation. Thorough cleaning of each piece of equipment will be completed daily
 - e. Signage will encourage staff, coaches, and athletes to clean equipment before and after use. Disinfectant wipes will be provided
 - f. Consider providing resources that promote personal hygiene. This includes opportunities to wash hands and hand sanitizer for staff, coaches and participants
 - g. Maintain contact information and team rosters
 - h. Do not share snacks or water, except in emergency situations
3. Occupancy and personal spacing:
- a. Recreation of any kind can be conducted in groups of 10 or fewer, unless specified below, with participants at least 6 feet apart, face coverings worn as feasible, and observation of appropriate sanitation and hygiene practices
 - b. Organized youth and adult recreational sports leagues of group sizes as allowed by the Yuma County Plan Timeline Phases (outside) are permitted to include but not limited to:
 - i. Youth t-ball, youth baseball, youth softball
 - ii. Adult softball
 - iii. Youth soccer
 - iv. Youth flag football
 - v. Youth volleyball
 - c. Spectators are strongly discouraged for adult sports. Spectators, like parents, are permitted for youth sports, so long as members from different households maintain at least 6 feet of physical distancing from each other
 - d. Encourage spectators to wear cloth facecoverings when they can do so safely
 - e. Discourage people from attending if they are experiencing any symptoms
 - f. Discourage high-risk populations from attending
