Reproduction Notes:

As owners of the Collection the EYCHS reserves all rights and titles to any and all reproduction of artifacts within the Collection. Photocopying and photographing can be some of the most damaging forms of use to which archival materials are subjected. This policy is in place to preserve the Collections for future use. Images of the Collection for any publication or public display must be obtained from the EYCHS and require a written request (COLLECTION USE AGREEMENT) for use. The EYCHS Board of Directors reviews each request and reserves the right to restrict use to ensure that reproductions are of high quality, in good taste, and that the use is consistent with the mission of the EYCHS. Payment is required prior to printing and should be in the form of a check payable to the Wray Museum. Once the request is approved by the EYCHS Board of Directors, digital images will be sent upon receipt of payment. Please provide four weeks for processing of prints.
