

OUR GOAL

The goal of the Wray Recreation Department's Youth Programs are to provide instruction, development and personal growth in a fun and safe environment. We strive to teach kids the skills needed to succeed while developing an appreciation for their particular activity. Our objective is to create an environment where all kids can learn and grow as well as develop life-long skills and sportsmanship that will be utilized during their youth and beyond.

FALL 2019 – SUMMER 2020 YOUTH PROGRAMS

Registration Procedure:

We have an Open Registration Policy. This means that registration will be open for approximately one month and forms can be turned in anytime during that period. Forms are available at City Hall, the Wray Public Library, or on the recreation page at www.cityofwray.org.

Refund Policy:

There is a full refund available before the registration deadline and a 50% refund after the deadline. Once a program begins, no refunds are available. If a program is cancelled due to low registration, a full refund will be provided.

Volunteers:

Volunteers are the backbone for all our youth programs and activities. Volunteers are always needed and greatly appreciated. Become a role model for our youth. Share your knowledge with kids from 6th grade all the way down to 3 years old (depending on activity). If you would be interested in volunteering in any area please give the Recreation Department a call.

** Background checks are performed on all volunteers. All costs for the check are covered by the City of Wray Recreation Department.*

Communication:

The Recreation Department utilizes an All-Call system to provide parents, players, coaches & volunteers all needed information regarding teams, cancellations, schedule/location changes, etc. The system works with both a phone number and/or email address. Weather cancellations will be made by the Recreation Director and the All-Call system will be used.
