

## CITY OF WRAY SANITATION COLLECTION RULES

The following information provides guidance and informs City of Wray Sanitation customers to assist in more streamline and responsible waste management practices. For more information go to: <https://www.cityofwray.org/158/Sanitation>

**Required Container:** Standard garbage cans, having a tapered body, a tight-fitting lid and handles on the sides and lid. A 95-gallon poly-cart or a 2-yard dumpster is also acceptable. The city has 95-gallon poly-carts and two-yard dumpsters for sale. If you are interested in purchasing one, please contact City Hall. **No other containers, such as barrels, tubs, baskets, boxes, etc. are acceptable and will not be collected.** Please do not overload your trash container as it may cause damage to your container.

**Grass Clippings:** Grass clippings placed in garbage cans, or curbside, **will NOT be picked up.** Grass clippings may be hauled to the city grass clipping disposal areas, which are west of the City Shop at 150 Ash Street. No containers should be left at the grass disposal area.

**Limbs & Branches:** Tree limbs and branches greater than 6 feet in length will not be collected. Tree limbs and branches which do not exceed the above measurements will be collected if they are bundled, securely tied with twine, not kite string, and do not weigh over 75 pounds per bundle. Tree limbs or branches that do not exceed the above measurements may be hauled to the city tree limb disposal areas, which are west of the City Shop at 150 Ash Street.

**Soil & Rocks:** Soil and rocks should **NOT** be placed with the trash. Soils should be shaken or removed from weeds, shrubs, or flowers before placed in container for pickup. Garbage bins containing soil and rocks will not be collected.

**Ashes:** **No ashes, HOT or COLD, will be picked up.**

**Miscellaneous:** **ABSOLUTELY NO AMMUNITION OR CONSTRUCTION MATERIAL.** No construction material will be picked up by the trash truck. You must haul that yourself or hire another party to haul these items to the landfill.

**Electronics:** Electronics will not be picked up. May be hauled yourself to landfill.

**Large Item Pickup:** Large household appliances and furniture (including refrigerators, ovens, bedroom mattresses and or springs) or room size carpet or padding that requires special handling or an extra pickup by the Wray Sanitation Department will be charged a \$50.00 pickup fee plus landfill fees. The billing will be included as a part of the customer's regular monthly utility billing.

If the following items are picked up at your address you will be charged as follows:

Refrigerators or freezers	\$50.00 each
Mattresses or box springs	\$10.00 each
Automobile tires up to 16"	\$5.00 each
Truck tires 17" to 24.5"	\$10.00 each
Tractor tire up to 18.4"	\$40.00 each
Implement tires (larger than 24.5")	\$40.00 each
Other tires – call for price
